## RANDY ROSS

Randy Ross is a Boston-area writer and web consultant. In 2007, he took a four-month, solo trip around the world and can now say in three languages: "Do you speak English?" "How much is the Pepto-Bismol?" and "Excuse me, is this the evacuation helicopter?" He is writing a novel inspired by the trip with the working title: "The Loneliest Planet: A Handbook for the Chronically Single."
